

50/50 Raffle Ticket Winner - Personal Finance Opening Activity

Attending an Iowa Cubs game this summer you entered into a 50/50 Raffle supporting Susan B Koman Breast Cancer Research. To your surprise, your ticket was the grand prize winner! Your ticket earned you \$750 in cash. Complete the following requirements below in regards to what you will do with your winnings in a visual/Presentation format to share.

Name:

1.) Would you identify yourself as a spender or saver? Explain Why?

2.) Would you save any of the winnings?

*If yes, how much will you put into savings, and why did you chose this amount?

*If not, what are your reasons why?

3.) What would you spend with your winnings and why?

Show us the item(s). Explain why you chose the item you did

4.) For the items you would purchase, where did you go to buy the items (Online, a Store, Friends, etc...)

*Then, identify at least 3 reasons for making the purchase where you did.

5.) Name a second source (for each item) where you could have bought the same items and explain why you did not purchase it there.

* Ex.) Titleist Driver - (Dick's Sporting Goods or Golf Galaxy)

6.) Are the items you purchased needs or wants? Explain what makes them so?
